# ABOUT US

**Guangzhou Qifeng Fishing Tackle** is a professional manufacturer and exporter of high-quality fishing hooks based in Guangzhou, China. We specialise in a complete range of hooks from fine competition hooks to heavy-duty big-game and deep-sea models, serving wholesalers, distributors and brand partners worldwide.

Every hook in this catalogue is manufactured from selected high-carbon steel and finished through precise bending, hardening, sharpening and electroplating processes. Superior quality and exquisite craftsmanship enable every component to withstand the test of various environments and ensure optimal performance in any environment.

| | |
|---|---|
| **High-Carbon Steel** | Selected high-carbon steel for strong, durable and fatigue-resistant hooks. |
| **Sharp Points** | Precision needle-sharp points for instant, confident penetration. |
| **Strong Tensile** | High tensile ratings on heavy-duty models (up to 320 kg tested). |
| **Corrosion Resistant** | Advanced electroplating for long service in fresh and salt water. |
| **Full Size Range** | From ultra-fine 0.1# to heavy 12/0#, covering every fishing scenario. |
| **OEM / ODM** | Custom branding, packaging and specifications available for global partners. |

# Classic Series

18 models

Everyday, all-round hooks built for versatility across freshwater and light saltwater fishing.
